Rahr To Thee! Pils™

Born from a close collaboration with industry partners, Rahr To Thee is a versatile pilsner malt made for North American craft brewers. It is produced in Alix, Alberta, and malted to a Kolbach Index of 37.0 - 44.0 for easy lautering in any regimen.

Rahr To Thee is appropriate wherever a pilsner malt with low color and low modi cation is desired. It is an ideal base malt for classic continental lagers, craft lagers — lagers of all types, truly. Its pro le delivers hints of grain, dough, golden bread, and sweet cereal alongside a slight nuttiness.
